- Mixed Agriculture and Forestry
- Rangeland
- Rural Service Center
- Natural Resource
- Beaches and Dunes
- Estuary
- Coastal
- Park and Recreation
- Public Semi Public Uses
- Indian Reservation
- Water

* Zoning data compiled using two datasets produced by the Oregon Department of Land Conservation and Development. Where it existed, a more precise dataset for 156 local jurisdictions in western Oregon was used. Areas not covered by this dataset were filled in using a more generalized dataset that covers eastern Oregon. Numerous zoning classifications from these two datasets were combined into those shown here.
